- Submit HACCAP, Risk Assessments, and Method Statements
- Provide a gas certificate for their cooking equipment

All documents must be provided promptly, and a site visit in advance of the event is required. A surcharge of £600 will apply. Crown Hall Farm reserves the right to discretion and may decline the use of an external catering company.

### Can I come for a tasting session?

### Do you cater for all dietary requirements?

---

Yes, we cater to all dietary requirements. Inform us of specific dietary needs, and we'll provide suitable options. Children's menus are available upon request.

### When do you need final choices and numbers by?

---

All final numbers and menu choices, along with any dietary requirements, must be submitted at least 14 days before your wedding date. A deposit may be required for large numbers.

### Can you do something slightly different?

---

Our caterer is very flexible. Please share your ideas or desired tweaks with us, and while we can't guarantee, we'll do our best to accommodate any requests as long as they are made within reasonable time.

---

You must get written permission from Crown Hall Farm to be able to bring any food or drink into the venue that has not been supplied by us, with the exception of a wedding cake. All edible wedding favours should be in sealed containers/packets with allergens clearly stated on each individual packet.

### Can I take any leftover food home with me?

---

Only wedding cake will be stored and provided at the end of the event or the next day to take away subject to this being within the safe time limits. All other food will not be saved even when there is food left over.

### Is there anywhere I can store my wedding cake the night before?

---

Whilst we do have a large commercial fridge, due to cross contamination and size there may not be room to store food or drink that has not been supplied by Crown Hall Farm.

### Is there anything I need to think of that you won't provide?

---

If we are providing your catering we will cover crockery, cutlery, glassware and white table cloths. You will need to provide napkins (this way you can match to your colour scheme) and table decorations such as name cards and centrepieces.

## OTHER FAQs

### CAN WE ORGANISE OUR OWN DJ OR ENTERTAINMENT?

Our standard venue hire fee includes a DJ and evening disco. However if you wish to use your own entertainment we may be able to come to an arrangement, please speak to your wedding coordinator for more details.

### DOES THE BAR ACCEPT CASH & CARD ON THE DAY?

Yes, we can take both cash and card at the main bar on the day of your wedding.

However if the outside bar is set up as a bar, as part of your package, then unfortunately this is card only.

### CAN WE HAVE ACCESS TO THE VENUE ON THE DAY BEFORE OUR WEDDING?

We understand that some couples like to dress their marquee themselves on the day before the wedding. We aim to make this possible for everyone who makes the request, however it does depend on how busy we are so we cannot guarantee this.

During the peak season the spare time between successive events is short. Talk to us and we will do our best to accommodate your request.

### SHOULD WE GET WEDDING INSURANCE?

You will need wedding insurance if you wish to protect yourselves from losing money in the event of circumstances arising that are beyond your control.

Though we appreciate it's not something you ever plan to make use of, we heavily encourage all of our couples to get wedding insurance for peace of mind.
